From (Name) R.Littlehailes Esq., M.A. C.I.E.,

(Designation) Director of Public Instruction, Madras.

To The Secretary to the Government of Madras, Law Education Department

Sir,

In their Order-No.Mis.970 Education dated 6- 5- 1929, Government sanctioned the opening of a higher elementary training school for Hindu Women teachers with lower elementary and Preparatory classes, at Udipi and of a hostel attached to the school from July 1929 The school was opened in a rented building on 3-7-29 In regard to the hostel the Inspectress reported that the opening of the hostel might be deferred as a large number of pupils were residents of the locality and as many others were unwilling to join a hostel on account of caste scruples. Th-

question of opening the hostel was not therefore taken up during the last two years

2. It is, however, now reported by the Headmaster of the school that "in the interest of the students themselves both as regards their studies and conduct and in the interests of the school it is highly" desirable that there should be a hostel attached to the school. The Inspectress of the circle, agrees with the opinion expressed by the Headmistress, and recommends that the hostel may be opened from the next school year.

will also have to be made for the wages of a cook and other menials. The expenditure in this regard will be Rs.12-8-0 per mensem (the amount sanctioned in the G.O quoted above) and it will have to be met from Provincial funds only if the number of students residing in the hostel is less than 20.

In the circumstances explained by the Headmistress of the school and by the Inspectress, I recommend that Government may be pleased to accord permission to open the hostel with effect from 1st July 1933.

In regard to the expenditure involved by the proposal, Government in their order sanctioning the hostel made provision for the following items.

Recurring.

Allowance for a full-time matron at Rs.30 per mensem
Rent for the hostel at Rs.40 per mensem.
